

Virtual International Congress of the Royal
College of Psychiatrists
21 June – 24 June 2021

Monday 21 June

08.00	Registration
9.05 – 9.30	Keynote KN1 President's Opening Lecture Dr Adrian James, President Royal College of Psychiatrists
9.30 – 10.00	Keynote KN2 Social justice, health equity and Covid-19 Professor Sir Michael G. Marmot MBBS, MPH, PhD, FRCP, FFPHM, FMedSci, FBA Director of the Institute of Health Equity (UCL Department of Epidemiology & Public Health)
10.05 – 11.20	Clinical Practice S1 Trauma, Suicide and Resilience: Lessons from War for Civilian Care Chair: Professor Sir Simon Wessely, Professor of Psychological Medicine, King's College London "From UK Military Mental Health to Civilian Care: Lessons Across Populations" Professor (Sir) Simon Wessely, Professor of Psychological Medicine, King's College London Australian Military Mental Health, PTSD and Suicide: How Does Risk Change Over Time Professor David Forbes, PhD, Director, Phoenix Australia - Centre for Posttraumatic Mental Health, Department of Psychiatry, The University of Melbourne Trauma and Stress Disorders in the US Military: Learning more about PTSD, Suicide and TBI Professor Robert J Ursano, M.D., Director, Center for the Study of Traumatic Stress (CSTS), Professor of Psychiatry and Neuroscience, Uniformed Services University

10.05 – 11.20

Clinical Practice

S2 Health anxiety: the silent epidemic that can be treated easily

Chair: Peter Tyrer, Emeritus Professor of Community Psychiatry, Imperial College, London

Multi-centre randomised controlled trial (RCT) for health anxiety in primary and general hospital care: clinical and economic outcomes.

Richard Morriss, Professor of Psychiatry, University of Nottingham

Pathological illness worries (health/illness anxiety) in the general population: The DanFunD study.

Professor Per Fink, Head of the Research Clinic for Functional Disorders and Psychosomatics, Aarhus University Hospital, Denmark

Health Anxiety: the silent epidemic that is amenable to treatment

Peter Tyrer, Emeritus Professor of Community Psychiatry, Imperial College, London

Psychopharmacology

TC1 Treatment Resistant Psychosis Part 1

Chair: Professor Fiona Gaughran, National Psychosis Unit, South London and Maudsley NHS Foundation Trust and the Institute of Psychiatry, Psychology and Neuroscience

Inflammation, the microbiome and Psychosis

Professor Iris Sommer, University Medical Center Groningen

Clozapine and Immunity

Professor James MacCabe, National Psychosis Unit, South London and Maudsley NHS Foundation Trust and the Institute of Psychiatry, Psychology and Neuroscience

Obsessions and Compulsions and clozapine

Dr Emilio Fernandez-Egea, Cambridge and Peterborough Foundation Trust and University of Cambridge

Leadership and Management

S3 Leadership development for psychiatrists

Chair: Dr Lenny Cornwall, Consultant Psychiatrist, Tees, Esk & Wear Valleys NHS Trust

The employer perspective – what knowledge and skills are employers looking for?

Dr Lenny Cornwall, Consultant Psychiatrist, Tees, Esk & Wear Valleys NHS Trust

The trainee perspective – what do trainees get from leadership training and what can they get?

Dr Alex Till, Chair Psychiatric Trainees Committee 2018-19, Royal College of Psychiatrists

The College perspective – what does the College understand to be the leadership role for psychiatrists and how will the new higher training curricula support this?

Dr Helen Crimlisk, Deputy Medical Director, Sheffield Health and Social Care NHS Trust; Associate Registrar, Leadership and Management, Royal College of Psychiatrists

Monday 21 June

10.05 – 11.20	<p>Education and Training</p> <p>S4 “How to be both”: psychiatrists' lived experience of mental illness Chair: Cate Bailey, East London NHS Foundation Trust and Dr Juliette Brown, East London NHS Foundation Trust</p> <p>Dr Rebecca Lawrence, Consultant Psychiatrist, NHS Lothian</p> <p>Dr Caroline Elton, Founder, Career Planning for Doctors</p> <p>Dr Caroline Walker, NHS Practitioner Health and Founder of The Joyful Doctor</p>
11.20 – 11.50	<p>Break</p>
11.55 – 13.10	<p>Clinical Practice</p> <p>S5 The mental health of women and girls during the COVID-19 pandemic (submission from Women and Mental Health SIG) Chair: Dr Claire A Wilson PhD MRCPsych, King's College London</p> <p>The impact of the COVID-19 pandemic on violence and abuse, and implications for mental health services in high income settings Prof Louise M Howard PhD MRCP FRCPsych, King's College London</p> <p>Findings from the Domestic violence Interview and Assessment during Lockdown and COVID- The (DIAL & C) Study in India Dr Prabha S Chandra MD FRCPsych FRCPE, National Institute of Mental Health and Neurosciences, India</p> <p>Perinatal Mental Health during the COVID-19 Pandemic Dr Claire A Wilson PhD MRCPsych, King's College London</p>
	<p>Clinical Practice</p> <p>S6 Addressing substance misuse in LGBT+ communities Chair: Professor Helen Killaspy, Professor of Rehabilitation Psychiatry, University College London</p> <p>The use of novel stimulants in the general population and LGBT+ community Dr Derek Tracey, Consultant Psychiatrist & Clinical Director, Oxleas NHS Foundation Trust, London</p> <p>The social context of drinking amongst LGBT+ people in Scotland Prof Carol Emslie, Lead - Substance Use and Misuse Research Group, School of Health & Life Sciences, Glasgow Caledonian University</p> <p>Understanding the pleasure and benefits of drug use for LGBT+ communities Dr Ian Hamilton, Lecturer in Mental Health, Department of Health Sciences, University of York</p>

11.55 – 13.10

Psychopharmacology**TC1 Treatment Resistant Psychosis Part 2**

Chair: Professor Fiona Gaughran, National Psychosis Unit, South London and Maudsley NHS Foundation Trust and Institute of Psychiatry, Psychology and Neuroscience

Nature, Nurture and the Polygenic Risk Score for Schizophrenia

Professor Sir Robin Murray, Institute of Psychiatry, Psychology and Neuroscience, King's College London and the National Psychosis Unit, South London and Maudsley NHS Foundation Trust

Depression, Affective Instability and Psychosis

Rachel Upthegrove, Professor of Psychiatry and Youth Mental Health, University of Birmingham

Brain Networks and Treatment Resistance in Psychosis

Professor Sukhi Shergill, Institute of Psychiatry, Psychology and Neuroscience, King's College London and the National Psychosis Unit, South London and Maudsley NHS Foundation Trust

Leadership and Management**S7 Unmuting and Teaming up- reflections on leadership challenges as a Mental Health Medical Directors Forum**

Chair: Julie Hankin, Executive Medical Director, Nottinghamshire Healthcare NHS Foundation Trust

Dr Ananta Dave, Medical Director, Lincolnshire Partnership NHS Foundation Trust

Dr Subha Thiyagesh, Medical Director, South West Yorkshire Partnership NHS Foundation Trust

Dr Avinash Hiremath, Medical Director, Leicestershire Partnership NHS Trust

Education and Training**MC1 Approaches to managing bullying and undermining in the workplace**

Chair: Ross Runciman, ST6 General Adult/Old Age Psychiatry Registrar – Gloucestershire Health and Care NHS Foundation Trust

Simulation of an example of bullying

Dr Alpana Bose

The role of the Psychiatrists' Support Service

Dr Ros Ramsay, Specialist advisor to the Psychiatry Support Service at the Royal College of Psychiatrists as well as being Deputy Medical Director at South London and Maudsley NHS Foundation Trust

The role the BMA can take in bullying and the wider evidence for bullying amongst doctors as well as its effects on them

Professor Dinesh Bhugra

13.10 – 14.00

Lunch

13.35 – 14.00

Rapid Fire Poster Presentations

14.05 – 14.35	<p>Keynote KN3 Coming to terms with covid: Many different kinds of love Chair: Professor Femi Oyebode Michael Rosen, Author and poet</p>
14.35 – 15.05	<p>Keynote KN4 Professor Anne Lingford-Hughes, Head, Centre for Psychiatry and Professor of Addiction Biology at Imperial College London</p>
15.05 – 15.25	<p>Break</p>
15.25 – 16.40	<p>Clinical Practice S8 Did we do enough? The psychosocial impact of COVID-19 on healthcare workers - evidence, interventions, and policy implications Chair: Professor Simon Wessely, Department of Psychological Medicine, King's College London</p> <p>The impact of pandemic on the mental health and well-being of UK healthcare workers Dr Danielle Lamb, NIHR ARC North Thames, Department of Applied Health Research, University College London</p> <p>Advancing understanding of moral injury in health and care settings Professor Neil Greenberg, Health Protection Research Unit, King's College London</p> <p>Implementation, sustainability, and application of learning from frontline staff support programmes Dr Sam Gnanapragasam, South London and Maudsley NHS Foundation Trust</p>
	<p>Clinical Practice S9 Towards sustainable and scalable mental health services in Africa Chair: Prof Petrus J de Vries, Division of Child & Adolescent Psychiatry, University of Cape Town, South Africa</p> <p>A retrospective case review of long-acting second generation injectable antipsychotics for the treatment of adults with schizophrenia in Kenya Dr Catherine Syengo-Mutisya, Consultant Psychiatrist, Nairobi, Kenya</p> <p>Education and training in psychiatry in low-resource environments – the story of Sierra Leone Dr Abdul Jalloh, Specialist Psychiatrist and Lecturer, Department of Internal Medicine, College of Medicine and Allied Health Sciences, University of Sierra Leone, Freetown, Sierra Leone</p> <p>Why we have to think differently about intervention research for autism and other neurodevelopmental disabilities in Africa Prof Petrus J de Vries, Division of Child & Adolescent Psychiatry, University of Cape Town, South Africa</p>

15.25 – 16.40

Psychopharmacology**S10 Cardiac and metabolic parameters and antipsychotic drug treatment**

Chair: Professor David Baldwin, Faculty of Medicine, University of Southampton

Schizophrenia is associated with adverse changes in cardiac structure independent of conventional cardio-metabolic risk factors: a cardiac MR imaging study

Dr Emanuele Osimo, Imperial College London, Hammersmith Campus, London; University of Cambridge, Department of Psychiatry; Cambridgeshire and Peterborough NHS Foundation Trust

Comparative effects of 18 antipsychotics on metabolic function in schizophrenia: a network meta-analysis

Dr Toby Pillinger, Department of Psychosis Studies, Institute of Psychiatry, Psychology and Neuroscience, King's College, London

Modification of lifestyle risk factors in patients undergoing antipsychotic drug treatment

Dr Adrian Heald, School of Medicine, University of Manchester

Leadership and Management**MC2 Lessons in Leadership - Learning from the RCPsych Leadership and Management Fellow Scheme and Beyond**

Chair: Dr Helen Crimlisk, Royal College of Psychiatrists

Dr Alex Till, Royal College of Psychiatrists

Dr Ross Runciman, Gloucestershire Health and Care NHS Foundation Trust

Dr Amjad Uppal, Gloucestershire Health and Care NHS Foundation Trust

Mr Dan Beale-Cocks, Gloucestershire Health and Care NHS Foundation Trust

Dr Shevonne Matheiken, Northamptonshire Health Foundation Trust

Dr Sophie Behrman, Oxford Health NHS Foundation Trust

Dr Hanif Soomro, Northamptonshire Healthcare NHS Foundation Trust

Dr Jen Rankin, Aneurin Bevan University Health Board

Education and Training

S11 Undergraduate psychiatry in a virtual world: a guide for educators

Chair: Dr Sridevi Mahalingappa, Consultant Liaison Psychiatrist, Royal Derby Hospital, Derbyshire Healthcare NHS Foundation Trust, Secretary of the Association of University Teachers of Psychiatry (AUTP)

Asynchronous and synchronous learning in a virtual environment

Dr Seri Abraham, Consultant Psychiatrist, Consultant in Liaison Psychiatry, Pennine Care NHS Foundation Trust; Prof. Suzanne Reeves, Professor of Old Age Psychiatry and Psychopharmacology, Honorary Consultant, Islington Care Home Liaison, Academic MBBS Mental Health Lead, Division of Psychiatry, University College London; Dr James Fallon, Clinical Senior Lecturer, Brighton and Sussex Medical School, Honorary Consultant Psychiatrist, Early Intervention in Psychosis and Assertive Outreach Team, Sussex Partnership NHS Foundation Trust

Assessment in the virtual learning environment

Prof. Subodh Dave, Consultant Psychiatrist and Deputy Director of Undergraduate Medical Education, Derbyshire Healthcare NHS Foundation Trust, Professor of Psychiatry, University of Bolton, Chair of the Association of University Teachers of Psychiatry (AUTP)

Online learning environments and student wellbeing

Dr Declan Hyland, Consultant in General Adult Psychiatry, Clock View Hospital, Liverpool, Mersey Care NHS Foundation Trust, Deputy Director for Year 4 at Liverpool Medical School and Specialty Lead for General Adult Psychiatry

16.40 – 16.50

Keynote

KN5 Chief Executive's Address

Paul Rees, Chief Executive of the Royal College of Psychiatrists

16.50 – 17.50

Fringe

8.00 – 9.00	Rapid Fire Poster Presentations
9.00 – 9.30	<i>Keynote</i> KN6
9.30 – 10.00	<i>Keynote</i> KN7 Molecular mechanisms of gene x early adversity interactions: implications for psychiatric disorders Professor Elisabeth Binder, Director, Dept. of Translational Research in Psychiatry Max-Planck Institute of Psychiatry
10.05 – 11.20	<i>New Science</i> S12 Vitamin D: Mind and Body Chair: Professor Ursula Werneke, Docent in Psychiatry, Sunderby Hospital, Luleå and Umeå University, Sweden Vitamin D and mental disorders – cause, consequence or coincidence? Professor John McGrath, National Centre for Register-based Research Aarhus University, Denmark and University of Queensland, Brisbane, Australia Does vitamin D supplementation improve outcomes in early psychosis? Results from the DFEND trial. Professor Fiona Gaughran, Institute of Psychiatry, Psychology and Neuroscience and South London and Maudsley NHS Foundation Trust Vitamin D, respiratory infections and Covid-19 – what does the evidence tell us? Professor Adrian Martineau, Professor of Respiratory Infection and Immunity, Queen Mary University of London
	<i>Disorders at the interface of neurology and psychiatry</i> TC2 Disorders at the interface of neurology and psychiatry
	<i>Psychopharmacology</i> S13 The art and science of deprescribing psychotropic medication Chair: Sir Professor Robin Murray, Professor of Psychiatric Research at the Institute of Psychiatry, Psychology and Neuroscience, King's College London Stopping Antidepressants: the view from RCPsych Professor Wendy Burn, Past President Royal College of Psychiatrists, Consultant Old Age psychiatrist. The right way and the wrong way to stop psychiatric medications 1: mood stabilisers and antidepressants Professor David Taylor, Director of Pharmacy and Pathology, SLaM and Professor of Psychopharmacology, KCL The right way and the wrong way to stop psychiatric medications 2: antipsychotics and benzodiazepines Dr Mark Horowitz, Psychiatry trainee, C&I and Clinical Research Fellow, UCL and NELFT

10.05 – 11.20

Policy and Media / Clinical Practice

S14 Social Media and Mental Health in Young People

Chair: Nikki Nabavi, The BMJ, The University of Manchester

Online Risks for the Mental Health of Young People

Dr Jon Goldin FRCPsych Consultant Child and Adolescent Psychiatrist Specialty Lead DCAMH Joint Training Programme Director Vice-Chair CAP Faculty, RCPsych Mildred Creak Unit Great Ormond Street Hospital for Children NHS Foundation Trust

Net gains?? Exploring the brighter side of social media and young people's mental health

Dr James Woollard, Chief Clinical Information Officer and Consultant Child and Adolescent Psychiatrist, Oxleas NHS Foundation Trust. National Specialty Adviser in Digital Mental Health, NHS England and Improvement

Lived experience of being online and in the public eye

Oenone Forbat, Writer, Presenter, Social Media Influencer

Policy and Media / Clinical Practice

S15 Mental Health Care for Underserved Populations -- Ethnic, Racial, and Linguistic Inequalities

Chair: Professor Kenneth R. Kaufman, AM, MD, FRCPsych, DLFAPA, FAES; Professor of Psychiatry, Neurology and Anaesthesiology, Rutgers Robert Wood Johnson Medical School, New Brunswick, New Jersey, USA; Visiting Professor, Department of Psychological Medicine, Institute of Psychiatry, Psychology and Neuroscience, King's College London; London, UK

Ethnic inequalities in severe mental illness: a new approach

Professor Kamaldeep S. Bhui, CBE, MBBS, MSc, MD, FRCPsych, FRCP(E); Professor of Psychiatry, Department of Psychiatry & Nuffield Department of Primary Care Health Sciences, Medical Sciences Division, University of Oxford, UK; Honorary Professor of Psychiatry, Queen Mary University of London, UK; Honorary Consultant Psychiatrist, East London NHS Foundation Trust

Unravelling the complexities of inequalities in mental health care and outcomes for cultural and linguistic minorities

Professor Steve Kisely, MD, MSc, PhD, FRCPsych, FRANZCP, FFPH, FAFPHM, FACHAM; Professor, Discipline of Psychiatry, School of Medicine, The University of Queensland, Australia and Professor of Psychiatry, Community Health, and Epidemiology, Dalhousie University, Canada; Brisbane, Australia

Mental health care for the underserved in Brazil

Professor Sara Evans-Lacko, PhD; Associate Professor, Personal Social Services Research Unit (PSSRU), London School of Economics and Political Science; London, UK

11.20 – 11.50

Break

<p>11.55 – 13.10</p>	<p><i>New Science</i></p> <p>S16 Latest Developments in the Neurobiology of Obsessive Compulsive Disorder</p> <p>Chair: Sam Chamberlain MB/BChir PhD MRCPsych, Professor of Psychiatry, University of Southampton</p> <p>The Unfinished Story of the Neurobiology of OCD</p> <p>Himanshu Tyagi MRCPsych PhD, Consultant Neuropsychiatrist and Medical Psychotherapist, National Hospital for Neurology and Neurosurgery and UCL Queen Square Institute of Neurology</p> <p>Understanding the OCD Brain: Using Technology to Build Bridges Between Humans and Mice</p> <p>Susanne Ahmari MD PhD, Associate Professor and Director, Translational OCD Laboratory, University of Pittsburgh</p> <p>Executive Functions and Fronto-Striatal Connectivity in Relation to Compulsivity</p> <p>Matilde M. Vaghi PhD, Department of Psychology, Stanford University</p>
<p>11.55 – 13.10</p>	<p><i>Disorders at the interface of neurology and psychiatry</i></p> <p>TC2 Disorders at the interface of neurology and psychiatry</p> <hr/> <p><i>Psychopharmacology</i></p> <p>S17</p> <hr/> <p><i>Policy and Media / Clinical Practice</i></p> <p>S18 Money and mental health - keeping up with a rapidly changing policy environment</p> <p>Chair: Dr Billy Boland, Medical director for South West London and St. George's Mental Health Trust, Chair - Faculty of General Adult Psychiatry Royal College of Psychiatrists</p> <p>Money and mental health - what the research says</p> <p>Dame Prof Til Wykes, Professor and Vice Dean Institute of Psychiatry, Psychology and Neuroscience, Kings College London</p> <p>Money and mental health - the changing policy landscape</p> <p>Helen Undy, Chief Executive, The Money and Mental Health Policy Institute</p> <p>Money and mental health - lived experience</p> <p>Lee Brookes, Expert by Experience</p>

	<p><i>Policy and Media / Clinical Practice</i></p> <p>MC3 When depression is proving difficult to treat Chair: Prof Hamish McAllister-Williams, Newcastle University and Cumbria, Northumberland, Tyne and Wear NHS FT</p> <p>Treatment Resistant Depression : a ‘difficult-to-treat’ concept Koen Demyttenaere, MD, PhD, Professor of Psychiatry, University Psychiatric Center KU Leuven</p> <p>MAOIs - not to be forgotten David Baldwin, MA, DM, FRCPsych, Professor of Psychiatry, Faculty of Medicine, University of Southampton, UK</p> <p>Additional options for difficult to treat depression: the long and the short of it Hamish McAllister-Williams, PhD, MD, FRCPsych, Professor of Affective Disorders, Newcastle University and Cumbria, Northumberland, Tyne and Wear NHS FT</p>
13.10 – 14.00	Lunch
13.35 – 14.00	Rapid Fire Poster Presentations
14.05 – 14.35	<p><i>Keynote</i></p> <p>KN8 How do antidepressants work? Professor Catherine Harmer, Professor of Cognitive Neuroscience, University of Oxford</p>
14.35 – 15.05	<p><i>Keynote</i></p> <p>KN9 Genes, Environment, and Eating Disorders: What the Clinician Needs to Know Professor Cynthia M. Bulik, PhD, University of North Carolina at Chapel Hill and Karolinska Institutet</p>
15.10 – 16.25	<p><i>New Science</i></p> <p>S19 Neurobiology and treatment of addictions: from substances to behaviours Chair: Prof Julia Sinclair. Department of Psychiatry, Faculty of Medicine, University of Southampton; and University Hospital Southampton.</p> <p>Alcohol use disorder: clinical features, neurobiology, and evidence-based treatment Prof Anne Lingford-Hughes. Faculty of Medicine, Department of Brain Sciences, Imperial College London.</p> <p>Gambling Disorder: clinical presentation, neurobiology, and treatment options. Prof Jon Grant. Department of Psychiatry, University of Chicago.</p> <p>Problematic Usage of the Internet: an addiction or a conduit? Prof Sam Chamberlain. Department of Psychiatry, Faculty of Medicine, University of Southampton; and Southern Health NHS Foundation Trust.</p>
	<p><i>Disorders at the interface of neurology and psychiatry</i></p> <p>TC2 Disorders at the interface of neurology and psychiatry</p>

Psychopharmacology

S20 Maternal Affective Disorders and Neonatal-Infantile development

Policy and Media / Clinical Practice

S21 Psychotherapy Practice: UK and US Perspectives

Chair: Dr Ken Busch, Assembly of the American Psychiatric Association

Psychotherapy training in psychiatry in the UK and the US

Dr Jessica Yakeley, Consultant Psychiatrist in Forensic Psychotherapy; Director, Portman Clinic Tavistock and Portman NHS Foundation Trust, London

The Royal College of Psychiatrists Medical Student Psychotherapy Scheme Strategy

Dr Sarah Majid, Consultant Psychiatrist in Medical Psychotherapy, Camden and Islington NHS Foundation Trust

Psychotherapy with the LGBT population in the US

Dr James R. Batterson UMKC School of Medicine Immediate Past Speaker, Assembly of the American Psychiatric Association

Policy and Media / Clinical Practice

S22 The role of sleep in mental health disorders

Chair: Dr Sarah Reeve, University College London

The longitudinal associations of sleep problems in early childhood with psychotic and borderline personality disorder symptoms in adolescence

Dr Isabel Morales-Muñoz, University of Birmingham; and Finnish Institute for Health and Welfare

Cross-sectional and prospective associations between sleep, anxiety and depression in adolescents.

Faith Orchard, University of Sussex

Treating sleep problems in patients with psychosis

Dr Felicity Waite, University of Oxford

16.25 – 16.45

Break

16.45 – 18.00

New Science

S23 Racism, Equity and Mental Health

Chair: Dr Shubulade Smith, Congress Co-Chair

Race-thinking and the amygdala

Dr Lasana Harris, Associate Professor in Social Psychology, University College London

The impact of racism on the development of psychosis

Dr James Kirkbride, Reader in Epidemiology, University College London

Dr Rajesh Mohan, Consultant Psychiatrist, Presidential Lead for Race and Equality, RCPsych

Disorders at the interface of neurology and psychiatry

TC2 Disorders at the interface of neurology and psychiatry

Psychopharmacology

S24

Policy and Media / Clinical Practice

S25 180th Celebratory Session

Policy and Media / Clinical Practice

S26 “We need to talk about weed” - public health and mental health implications of high potency cannabis

Chair: Professor Mary Cannon, Department of Psychiatry, RCSI University of Medicine and Health Sciences, Dublin, Ireland

High Potency Cannabis - the most important risk factor determining incidence for psychosis

Professor Sir Robin M Murray, Professor of Psychiatric Research, Institute of Psychiatry, Psychology and Neuroscience, Kings college London

Cannabis, Cognition and Mental Health in young people

Professor Mary Cannon, Professor of Psychiatric Epidemiology and Youth Mental Health, RCSI University of Medicine and Health Sciences, Dublin

"Cannabis use disorders amongst youth: When weed takes over"

Dr Bobby Smyth, Consultant Child and Adolescent Addiction Psychiatrist, Health Services Executive and Department of Public Health, Trinity College Dublin

8.00	Rapid Fire Poster Presentations
9.00 – 9.30	<p>Keynote KN10 Untangling complexity in our patients: trauma and neurodevelopment Professor Helen Minnis, Child and Adolescent Psychiatry, Institute of Health & Wellbeing, University of Glasgow</p>
9.30 – 10.00	<p>Keynote KN11 KN11 Dr Fiona Godlee, Editor in Chief, The BMJ</p>
10.05 – 11.20	<p>New Science S27 Virtual Reality in Mental Health- Innovation or Gimmick? Chair: Professor Albert "Skip" Rizzo, Director, Medical Virtual Reality, Institute for Creative Technologies, Research Professor, University of Southern California</p> <p>Virtual Reality in a Psychiatric Intensive Care Unit Dr Aileen O'Brien, Reader in Psychiatry and Education St George's University of London, Honorary Consultant South West London and St George's Mental Health NHS Trust</p> <p>Does VR have potential for the assessment and treatment of deliberate fire setting? Katie Sambrooks, Research Associate in Forensic Psychology, CORE-FP, School of Psychology, Keynes College, University of Kent</p> <p>The ethical and practical challenges of delivering VR largescale to different audiences Zillah Watson, Visiting Fellow at Reuters Institute for the Study of Journalism, University of Oxford</p> <hr/> <p>Developmental MC4 De-prescribing psychotropic medication – learning from a tale of two countries Chair: Dr Ken Courtenay, Chair Intellectual Disability Faculty Royal College of Psychiatrists</p> <p>The patient experience Mr Phil Wills</p> <p>The Dutch experience Professor Gerda De Kuijper</p> <p>The UK experience Professor Rohit Shankar MBE, FRCPsych</p>

10.05 – 11.20

Quality Improvement

S28 Improving quality and reducing variation in mental health services

Chair: Dr Sarah Markham, King's College London

Inside NICE: More than just guidelines.

Dr. Howard Ryland, NIHR Doctoral Research Fellow, University of Oxford; Honorary Consultant Forensic Psychiatrist, Oxford Health NHS Foundation Trust

Getting It Right First Time in Rehabilitation: A National Programme Supporting Transforming Lives.

Dr. Sridevi Kalidindi C.B.E., MB BS, BSc (Hons), PhD, FRCPsych Consultant Psychiatrist in Rehabilitation & Recovery SLaM NHS FT; National Clinical Lead, GIRFT Mental Health Rehabilitation, NHSI; Visiting Senior Clinical Lecturer, IOPPN

No Quality without Equality! Advancing Mental Health Equality to improve outcomes for all.

Dr. Shubulade Smith CBE, Consultant Psychiatrist and Senior Lecturer, Clinical Director, Forensic Services South London and Maudsley NHS Foundation Trust; Clinical Director, NCCMH, Royal College of Psychiatrists

Education and Training

S29 The Changing Landscape of Publishing and Plan S -- Where Should I Publish – A Guide for Students, Trainees, and Junior/Senior Researchers

Chair: Professor Kenneth R. Kaufman, AM, MD, FRCPsych, DLFAPA, FAES; Professor of Psychiatry, Neurology and Anaesthesiology, Rutgers Robert Wood Johnson Medical School, New Brunswick, New Jersey, USA; Visiting Professor, Department of Psychological Medicine, Institute of Psychiatry, Psychology and Neuroscience, King's College London; London, UK

Getting published: practice tips for students, trainees, and tenacious researchers

Professor Kamaldeep S. Bhui, CBE, MBBS, MSc, MD, FRCPsych, FRCP(E); Professor of Psychiatry, Department of Psychiatry & Nuffield Department of Primary Care Health Sciences, Medical Sciences Division, University of Oxford, UK; Honorary Professor of Psychiatry, Queen Mary University of London, UK; Honorary Consultant Psychiatrist, East London NHS Foundation Trust

Predatory journals and dubious publishers: how to avoid being their prey

Professor Steve Kisely, MD, MSc, PhD, FRCPsych, FRANZCP, FFPH, FAFPHM, FACHAM; Professor, Discipline of Psychiatry, School of Medicine, The University of Queensland, Australia and Professor of Psychiatry, Community Health, and Epidemiology, Dalhousie University, Canada; Brisbane, Australia

RCPsych -- Cambridge University Press portfolio: an update on quality open access journals

Professor Kenneth R. Kaufman, AM, MD, FRCPsych, DLFAPA, FAES; Professor of Psychiatry, Neurology and Anaesthesiology, Rutgers Robert Wood Johnson Medical School, New Brunswick, New Jersey, USA; Visiting Professor, Department of Psychological Medicine, Institute of Psychiatry, Psychology and Neuroscience, King's College London; London, UK

Wednesday 23 June

<p>10.05 – 11.20</p>	<p><i>Clinical Practice</i></p> <p>S30 Early Life Stress In Severe Affective Disorders: From Neuroscience To Treatment</p> <p>Chair: Prof. Allan H. Young, King's College London</p> <p>Childhood maltreatment and the physical burden of patients with bipolar disorders.</p> <p>Prof. Bruno Etain, University Paris Diderot and Assistance Publique des Hopitaux de Paris, France</p> <p>Telomere length is associated with childhood trauma experiences in patients with a severe mental disorder.</p> <p>Dr Monica Aas NORMENT K.G Jebsen Centre for Psychosis Research, Institute of Clinical Medicine, University of Oslo, Norway</p> <p>HPA axis, Genetic Biomarkers and Early Life Stress impact in Affective Disorders.</p> <p>Dr Mario F P Juruena. Centre for Affective Disorders - Institute of Psychiatry, Psychology and Neuroscience - King's College London</p>
<p>11.20 – 11.50</p>	<p>Break</p>
<p>11.55 – 13.10</p>	<p><i>New Science</i></p> <p>MC5 Neuromodulation for mental illness: An update</p> <p>Chair: Professor Naomi Fineberg, University of Hertfordshire, Hatfield, United Kingdom</p> <p>Transcranial Direct Current Stimulation (TDCS) for Mental Illness</p> <p>Dr Eduardo Cinosi, Consultant Psychiatrist, Hertfordshire Partnership University NHS Foundation Trust, Hatfield, UK</p> <p>Repetitive Transcranial Magnetic Stimulation (rTMS) for Mental Illness</p> <p>Professor Richard Morriss, Faculty of Medicine & Health Sciences, University of Nottingham, UK</p> <p>Deep Brain Stimulation (DBS) for Severe Mental Illness</p> <p>Professor Eileen Joyce, UCL Queen Square Institute of Neurology, London, UK</p>

11.55 – 13.10

Developmental

S31 Schools-based mental health research across the UK

Chair: Professor Daniel Smith, University of Glasgow

Exploring different aspects of mental health among young people in Scotland

Ms Judith Mabelis, MRC/CSO Social and Public Health Sciences Unit, University of Glasgow

Measuring barriers to accessing mental health services in 19,000 pupils: findings from the OxWell School Survey 2020.

Mina Fazel, Associate Professor of Child and Adolescent Psychiatry, University of Oxford and Consultant in Child and Adolescent Psychiatry, Centre for Psychological Medicine, Oxford University Hospitals NHSFT

Pupil mental health, concerns and expectations about secondary school as predictors of adjustment across the transition to secondary school.

Professor Frances Rice, Division of Psychological Medicine and Clinical Neurosciences, Wolfson Centre for Young People's Mental Health, Cardiff University.

Quality Improvement

S32 Improving sexual safety in mental health inpatient settings

Education and Training

S33 Research training: a session for medical students, FY doctors, and psychiatry trainees

Chair: Dr Kate Lovett, Dean, RCPsych.

The whys and wherefores of research training

Prof Tamsin Ford, Department of Psychiatry, University of Cambridge.

How to publish: (crystal clear) points means prizes. Writing abstracts and posters

Prof Sam Chamberlain. Department of Psychiatry, Faculty of Medicine, University of Southampton; and Southern Health NHS Foundation Trust.

Navigating the submission maze: what do publishers look for in a good paper?

Dr Niall Boyce. The Lancet Psychiatry

Clinical Practice

S34 Suicide, mental capacity and the law

Chair: Dr James Lee-Davey, East London NHS Foundation Trust

The suicidal patient: clinical and ethical considerations

Dr Chloe Beale, East London NHS Foundation Trust

"You have capacity to decide to end your life": a patient perspective

Ms Ellie Thomas, Service User and Carer Group for the 2018 Independent Review of the Mental Health Act 1983

Suicide and the law

Mr Alex Ruck Keene, 39 Essex Chambers

13.10 – 14.00

Lunch

13.35 – 14.00

Rapid Fire Poster Presentations

14.05 – 14.35	<p>Keynote KN12 The Social Determinants of Mental Illness Dr Vivian Pender, President Elect APA</p>
14.35 – 15.05	<p>Keynote KN13 Professor Chris Whitty, Chief Medical Officer for England and Chief Medical Adviser to the UK Government</p>
15.05 – 15.25	<p>Break</p>
15.25 – 16.40	<p>New Science S35 Neurofeedback, biofeedback and body-contingent approaches to affective and neuropsychiatric symptom management: New neuroscience and clinical applications Chair: Prof Hugo Critchley, Sussex</p> <p>Applications of real-time functional magnetic resonance imaging to alleviation of psychological symptoms Professor David Linden, Maastricht and Cardiff</p> <p>Autonomic biofeedback in management of neuropsychiatric conditions Dr Yoko Nagai, Brighton and Sussex Medical School</p> <p>Harnessing physiology in anxiety management Dr Cristina Ottaviani, Sapienza and University of Rome</p> <hr/> <p>Developmental S36 Dimensional and Categorical Psychopathology in Youth: Cognitive and Brain Imaging Chair: Sophia Frangou, University of British Columbia and Icahn School of Medicine at Mount Sinai</p> <p>Brain correlates of psychopathology in children growing up in social disadvantaged or enriched environments Sophia Frangou, Departments of Psychiatry, University of British Columbia and Icahn School of Medicine at Mount Sinai</p> <p>The course of anhedonia in depression: insights from a multi-modal, longitudinal neuroimaging study Argyris Stringaris, Mood, Brain and Development Unit, NIMH</p> <p>Trajectory of brain structural development in young individuals at familial risk of mood disorder? Dr. Heather Whalley, The University of Edinburgh</p>

15.25 – 16.40

Quality Improvement

S37 'When times change, so must we' – how clinicians can help patients have a better experience of mental health services

Chair: Mr Steve Gilbert OBE, Service user & Serious Mental Illness Living Experience Consultant and Vice Chair of Independent Mental Health Act Review

Learning from patient feedback - helping clinicians and tribunal members to improve patients' future experience at their Mental Health Tribunal hearings

Dr Joan Rutherford, Chief Medical Member, Mental Health Tribunal England and Honorary Consultant Psychiatrist, South London and Maudsley NHS Foundation Trust

The role of advocacy in enabling patients have a better experience of mental health services

Ms Rheian Davies, Head of Legal, Mind

How clinicians can help patients have a better experience of mental health services
